### Lara and Browse

### Keris and Teazer

Keris is 13 and Teazer is 7 years old. Keris and Teazer became inseparable since we rescued her at 8 months and she was Keris's 6<sup>th</sup> birthday present. They are best friends and Teazer has been there for

Keris, making her smile and laugh brightening up any day. They compete in a variety of disciplines; Rally Agility, Flyball, Canicross and Bikejor. Keris's greatest achievement is competing at Crufts. When relaxing Teazer loves to roll in the stuff cows leave behind!

### **Briar and Bramble**

Briar is 24 and Bramble is 22 months and they've been doing Rally since May last year. Bramble's main job is as Briar's multipurpose assistance dog but as well as Rally they also enjoy Competitive Obedience, HTM, Freestyle and Disc dog! Bramble loves being out working and is mature and reliable on the job, but he is a typical goofy Goldie off duty and loves squirming on his back and doing zoomies, preferably in mud!

### **Suzanna and Frankie**

Suzanna is 12 and Frankie is a 5-year-old rescue, who she has had for 10 months. They only started training for Rally around 5 months ago, so are very new to it. Suzanna has always wanted a Pug and feels that Frankie, aka “Funtime Frankie” is her dream dog.

### **Bobbie and Jakey**

Bobbie is 13 and Jakey is a 7 year old Crossbreed. They have competed in several disciplines in the YKC, including Rally, Competitive Obedience and Crossbreed handling. Bobbie describes Jakey as her dog of a lifetime.
